Product 2" Macro with Decorative Tapes Color Woodland Dusk
Tape Color Smokey Beige Design Studio™ Color Gardenia
Operating System SimpleLift™ with PowerView® Automation

Benefits

Multiple Finish and Color Options

Modern Precious Metals® blinds are extremely versatile. Select from multiple slat sizes and a wide array of finishes that appeal to any design style.

Durable Construction

Slats are specially engineered to never warp, bow or fade.

Easy to Clean

Slats are designed for carefree maintenance. No professional cleaning is required.

Customized Light and Privacy

Create your perfect amount of light and privacy by tilting slats to any angle or raising the blind to any position.

Expansive Sizes and Effortless Operation

Modern Precious Metals® blinds can beautifully accommodate larger windows. Slats are lightweight yet sturdy for easy lifting.

Minimal Stacking Height

In the fully raised position, blinds feature a minimal stacking height so you can enjoy more of your outdoor view.

Light Control and Privacy

1/2" Slat

1" Slat

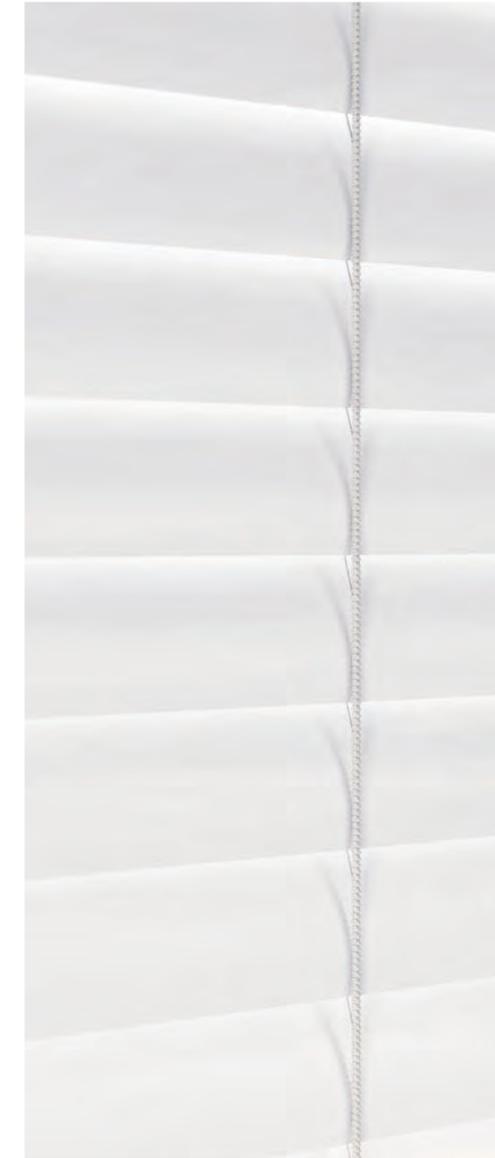

2" Slat

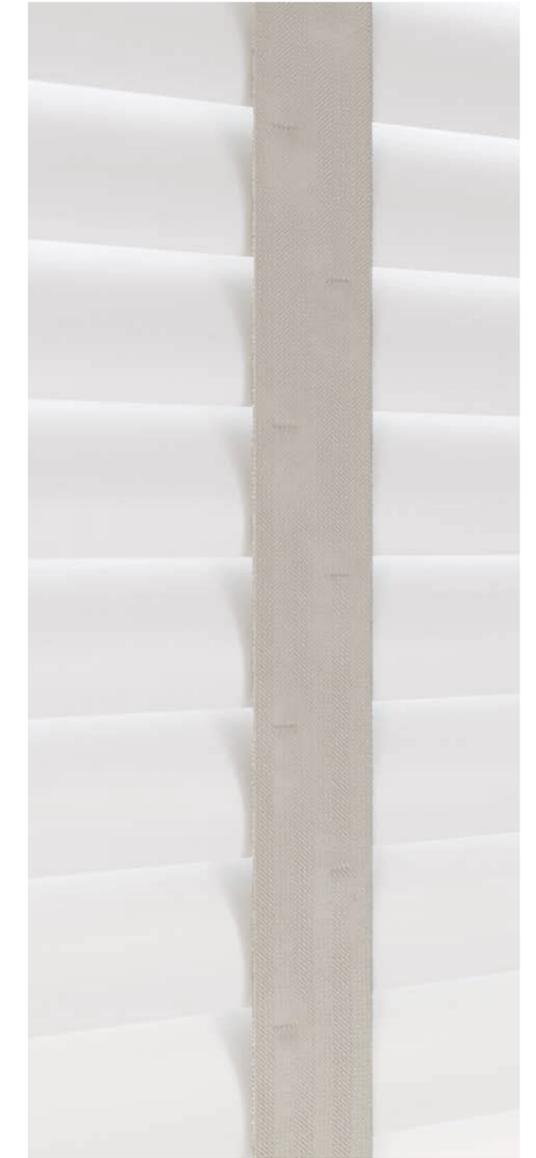

2" Slat with MagnaView® Tilt Option
Increases view-through from 2" to 4"

Traditional Routed Blinds
Cords are routed through small holes in each slat.

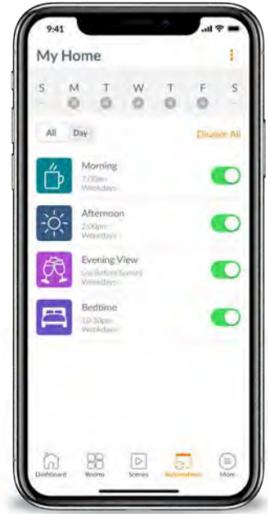

de-Light™ Routless Design
Cord holes are eliminated to block light.

Decorative Tapes
Accents that coordinate with your décor.

PowerView® Automation

Convenience

Achieve your perfect light automatically

Privacy

Schedule blinds to close whenever you prefer

Energy Efficiency

Program blinds to be in the best positions throughout the day

Security

Remote control gives the illusion that you're always home

Battery Powered or Hardwired

For seamless installation, operation and maintenance

Voice Control

Compatible with smart speakers and smart-home systems

With Modern Precious Metals® Aluminum Blinds, PowerView® Automation only allows for automatic tilting.

For more details on PowerView, open the opposite page and visit hunterdouglas.com/powerview-design-options ▶

Operating Systems

SimpleLift™

Operate blinds by engaging a push-button, located on the bottom rail. This cordless system is ideal for homes with children or pets. (SimpleLift available with PowerView® Automation)

LiteRise®

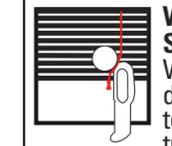

This cordless system lifts and lowers blinds with the touch of a finger.

Cordlock

Blinds lock in place when the cord is pulled to raise or lower. Cord cleats prevent cord from dangling to the floor.

WARNING/ADVERTENCIA

Window Blind Cord Strangulation Risk

Window blinds with a damaged or loose tension device or retractable cord that fails to fully retract pose a strangulation risk to children. To avoid this potential strangulation risk, consider purchasing cordless products or products with inaccessible cords.

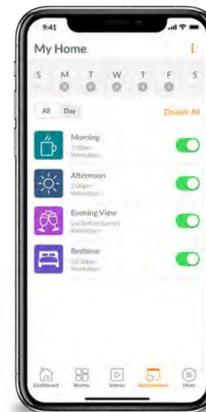

Riesgo de Estragulación en Cuerdas de Persianas

Las persianas con un dispositivo tensor suelto o dañado o con una cuerda retráctable que no se ajusta completamente representan un riesgo de estrangulación para los niños. Para evitar un posible riesgo de estrangulamiento, considere comprar productos inalámbricos o productos con cuerdas inaccesibles.

Child Safety Labels on Corded Systems

These warning labels appear on window fashions with cords to make consumers aware of window cord hazards for children and pets.

PowerView® Automation

Product 2" Macro Color Stone
Operating System PowerView® Automation

A Day With PowerView®

7:00 AM Morning

Schedule blinds to operate at your preferred wake-up time.

2:00 PM Afternoon

Blinds adjust to protect furnishings from harsh midday sunlight.

5 Minutes Before Sunset

Based on your local sunset time, blinds open to reveal your best view.

10:30 PM Bedtime

Blinds close automatically for privacy and a perfect night's sleep.

Options

Cord Tilt

Wand Tilt

Decorative Tapes, SimpleLift™ Bottom Rail

MagnaView® Tilt Option

When closed, the blind looks like a standard 2" horizontal blind.

As you tilt the blind open, slats begin to nest closely together in pairs.

The slats continue to come together until they are parallel.

When the slats are fully nested, a standard 2" view-through is doubled to 4".
